EXPERIENCE

Computer Science Teacher

2014 – 2021

Park City High School

Park City, UT

Designed and implemented college-level curriculum to teach computer science to 100+ students in grades 10th-12th. In my six years, I have quadrupled the amount of students taking CS courses.

Key Accomplishments:

- Developed the Computer Science Pathway
- AP pass rate of at least 90% for two different AP Computer Science courses- with over 80 students receiving a passing score of 3 or greater.
- Started and led the Girls in Tech after school club that encourages girls to try computer programming.
